

Why it **Matters**

Lack of patient adherence with therapy and medication management affects outcomes, healthcare costs, and reimbursement for providers.

Cost Implications

Clinical Implications

Reimbursement Impact

Impact on Patients
with Chronic Conditions

Patients who have 3 OR MORE chronic conditions incur \$4k - \$7.9K in healthcare costs if they do not adhere with therapy.

In contrast, patients can save the healthcare system \$2K - \$5.3K per year by adhering with therapy.
