

# Why it **Matters**

Lack of patient adherence with therapy and medication management affects outcomes, healthcare costs, and reimbursement for providers.

Cost Implications

Clinical Implications

Reimbursement Impact

Impact on Patients  
with Chronic Conditions

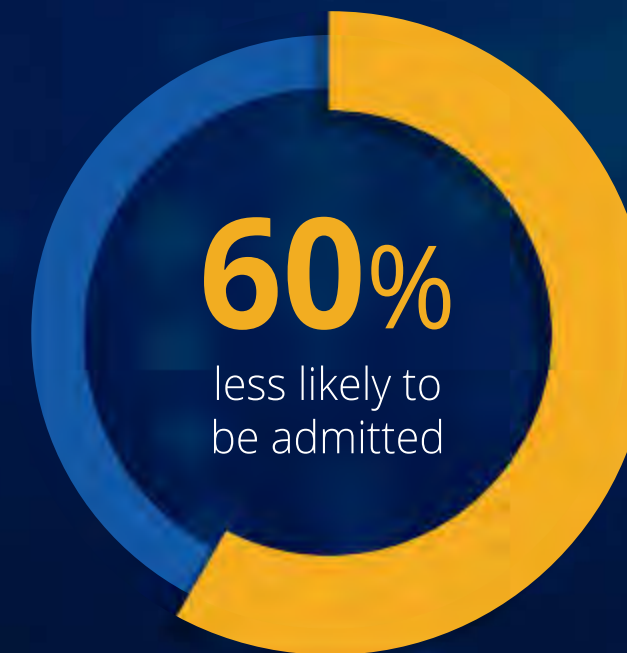

Respiratory patients  
who received

**4 OR MORE  
INHALED TREATMENTS**

per year were

**60% LESS LIKELY**  
to be admitted to the  
hospital than those  
receiving only 1.
